

PORT OF LONDON
AUTHORITY

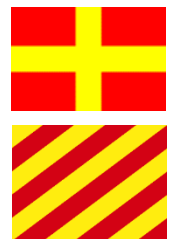

NOTICE TO MARINERS
SEA REACH

L16-24**CALOR GAS CANVEY JETTY WORKS**

Mariners are advised that, from **Wednesday 20th March 2024** onwards, contractors instructed by the operators of the Calor Gas Canvey terminal will re-commence works to the jetty. These works will include use of scaffolding, operatives working on the waterline and lifting operations. A safety boat will be in attendance at times during the works. These works are expected to be complete by 31st October 2024 and the general location of the works is shown by the red markings in the chartlet below.

Requirements to proceed with caution or at slow speed will be made in accordance with the procedures set out in the Port of London Authority's [Port Information Guide](#), under 'London VTS', 'Section 4' with the International Code Flags 'Romeo Yankee (RY)', which are illustrated here, displayed.

Further details will be broadcast as needed by **London VTS** on **VHF channels 68 & 69**.
