

## NOTICE TO MARINERS      M46 of 2018

### DEPTFORD CREEK PHOENIX WHARF BERTHING FACE CONSTRUCTION

On or about the 23 July 2018; Mariners are advised that contractors working on the Tideway Tunnel Project will install an approximately 100 metre long sheet pile retaining wall off Phoenix Wharf with 9 berthing piles on the channel side.

Please see the chartlet below depicting the location of the works.

The works will be undertaken using shore based plant and equipment and will include pile line clearance and piling operations. The works will take place between 0800 and 1800 Monday to Friday and are expected to last approximately 3 months.

Vessels are requested to be mindful of the works and to pass at a safe distance.

Further details will be broadcast by London VTS on VHF Channel 14.
