GATE CLOSURES:

In addition to the full Thames Barrier closures there will be frequent closures of individual gates for maintenance and training purposes, subject to a programme issued by the Environment Agency. The closure of individual gates will change the spans available for navigation.

Information regarding these gate closures will be promulgated by London VTS on VHF Channel 14 routine river broadcasts.

A copy of the six-month programme may be obtained by applying in writing to Environment Agency, Thames Barrier, Eastmoor Street, London SE7 8LX.

During each full Thames Barrier or individual gate closure(s), illuminated red crosses will be displayed on both sides of the gate(s) indicating that the gate(s) are closed to navigation:
